More washday help for every dollar!

Check these features—then compare. Here's top dollar value combined with top performance. All-new, all-automatic, by Hamilton—the folks who made automatic washdays possible.

Hamilton Automatic Washer

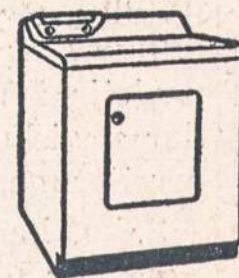

completely automatic yet any part of the washing cycle can be shortened, skipped or repeated! Selecta-Cycle Control lets you tailor the washing to the job you want done.

agitator washing that's safe and gentle, but so thorough the Soil-Seeking Water Action actually seeks out extra-soiled spots like collars and cuffs.

5 fresh-water rinses make sure clothes come clean. Fresh-Flo Deep Rinsing floats away all soap and soil, never forces soiled water back through the clean clothes.

\$269.95

If you're shopping for easier washdays, don't settle for less than Hamilton.

Hamilton Automatic Dryer

clothes are cradled in a gentle stream of warm dry air. Patented Carrier-Current Air Circulation gives the fastest, gentlest drying known.

best drying temperatures for every load. Fabri-Dial lets you select the right temperature by simply dialing the fabric type.

extra drying time from one setting of the dial. 130-Minute Timer for special projects like shag rugs.

perfect moisture and lint control from Hi-Power Exhaust and Double-Pass Lint Screen.

\$259.95

Come in. See for yourself why the first automatic clothes dryer is still first choice.
