Hei WiraiLietuwei!

Given away to inventors.

For every model or drawing we receive and notice in
the National Recorder, "The Stock," "Business-stepper,"

and a thousand other little things that most one can
think of, we will give you a copy of our book, "How to
make the best profits for our clients," and the object of this, will be to encourage inventors to
send us their inventions, free of cost, to all the time we
will be open upon the public the fact that they are
the ones that bring largest returns to the author. Try to
think of something to invent.

IT IS NOT SO HARD AS IT SEEMS.

Persons taking this book to record and notice in
the National Recorder, "The Stock," "Business-stepper,"

and a thousand other little things that most one can
think of, we will give you a copy of our book, "How to
make the best profits for our clients," and the object of this, will be to encourage inventors to
send us their inventions, free of cost, to all the time we
will be open upon the public the fact that they are
the ones that bring largest returns to the author. Try to
think of something to invent.

THAT YIELD FORTUNES,

such as the "car-pawd," which can be easily sold up
and down, and the "car-pawd," "the stock," "business-stepper,"

and a thousand other little things that most one can
think of, we will give you a copy of our book, "How to
make the best profits for our clients," and the object of this, will be to encourage inventors to
send us their inventions, free of cost, to all the time we
will be open upon the public the fact that they are
the ones that bring largest returns to the author. Try to
think of something to invent.

Promises taken that we record and notice in
the National Recorder, "The Stock," "Business-stepper,"

and a thousand other little things that most one can
think of, we will give you a copy of our book, "How to
make the best profits for our clients," and the object of this, will be to encourage inventors to
send us their inventions, free of cost, to all the time we
will be open upon the public the fact that they are
the ones that bring largest returns to the author. Try to
think of something to invent.

All contracts are regarded strictly confidential.
