READ WHAT A PROMINENT PHYSICIAN  
Has to say who has had 35 YEARS of active Practice of Medicine!

I have never before in my 35 years of practice of medicine given a testimonial of recommendation to any patent medicine, but there is a remedy, the result of which has come under my own observation; for there is no Disease, which has so baffled the medical skill of all ages as Rheumatism. I have now given a testimonial of my success in curing it, and I am sure you will be interested to hear what I have to say about it. After a long time of trial and error, I have found a Permanent Cure even for Chronic Rheumatism, which has baffled the medical skill of all ages. Among others several Rheumatic cases under my treatment and pre  
dicted, but without desirable results. I then heard of "5 DROPS" and its wonderful Cures, and prescribed it to a few patients who found it to be a permanent cure.
